

## DESIRE CORNER

Desire Corner is available in glossy white or matt white acrylic. The oval-shaped bath is semi-detached and available in a left and right version. The smooth overflow opening can be used for the integrated bath filler Riho Fall; a system to fill the bath through the overflow opening that makes a separate tap unnecessary. Desire comes with frame, siphon and pop-up, which allows for quick assembly. A completely freestanding (Desire) and back-2-wall version of this model is also available.

Left

Riho acrylic baths are made of high-quality cast acrylic, fully reinforced and all through white in colour. Our acrylic baths are non-aging and UV resistant. The material is completely pore-free and smooth. Lime will adhere poorly so no bacteria remain, also it makes the baths easy to clean. Its surface is pleasantly warm. These double sided baths standard include a legset and an overflow/drain overflow/drain combination.
